

MGM Centre of Human Movement Science
MGM School of Physiotherapy
MGM Institute of Health Sciences, Navi Mumbai

1st Conference in Human Movement Science

Theme: Move for Health

7th, 8th and 9th November 2025

CALL FOR ABSTRACTS

We welcome Scientific abstracts on original and clinical research, innovation, and interdisciplinary initiatives in the field of biomechanics

**Registrations
are open
now**

Date for abstract submission

1st July 2025–August 15, 2025

Notification of acceptance

September 15, 2025

Who can submit?

- ✓ Engineers
- ✓ Physiotherapists
- ✓ Physicians/ Surgeons/ Dentist
- ✓ Prosthetists and orthotists
- ✓ Healthcare Professionals
- ✓ Students (Master students, final year BE, Interns, Ph.d. Scholars)

Themes :

1. Biomedical Engineering & Artificial Intelligence
2. Clinical biomechanics & Rehabilitation
3. Fundamental Biomechanics
4. Ergonomics
5. Motor control, Balance & Posture
6. Sports & Performance Biomechanics
7. Yoga & Traditional Indian Movement Science

Conference Highlights

- Keynote lectures by international experts
- Young investigator & best paper awards
- Networking with global leaders in the field of biomechanics

1st Conference in Human Movement Science

Theme: Move for Health

7th, 8th and 9th November 2025

Guidelines for Abstract

- Language: ENGLISH.
- Submission through: email address provided.
- One-blinded & one non-blinded copy
- Submission only through the presenting author's email.
- The presenting author could be any author listed on the abstract.
- One abstract per presenting author.
- Only one presenting author per paper is permitted.
- Only the author/ co-authors may present the abstract; if no author is available, the accepted abstract will be withdrawn.
- Word limit: 300 words (excluding the title and information on authors).
- Registration is compulsory before submission.
- Submission Format: Microsoft Word document, 1.5 line spacing, 12-point font (Times New Roman), 1-inch margins on all sides.
- Only the presenting authors will receive a certificate of presentation.
- The Scientific Programme Committee's decisions are final.

1st Conference in Human Movement Science

Theme: Move for Health

7th, 8th and 9th November 2025

Guidelines for Abstract

**Registrations
are open now**

1. Title: Clear, concise, and specific to the research topic (maximum 15 words).

2. Author Information: Full name, institutional affiliation, and contact information for all authors. Underline the name of the presenting author. (Only the presenting author will receive the certificate.) Exclude this section in the blinded copy of the abstract.

3. Structure of Abstract:

- Introduction: Brief overview of the problem being addressed and its relevance to the category.
- Objectives: State the research aims or clinical question.
- Methodology: Provide a summary of the study design, population, data collection, and analysis methods.
- Results: Mention the statistical tests used and the precise quantitative outcome.
- Conclusion: Summarize the significance of the results and their implications for practice or research in the specific category.

4. Keywords: 5-6 keywords

5. Ethical Compliance: Ensure compliance with institutional ethical standards, and disclosure should be made in the abstract after the conclusion.
